

Song Title: 40fied by Grace
Artist: SweetSimi
Produced by: Atomistic Atomen

Verse 1:

With every step, I tried to rise,
Chasing dreams beneath the skies,
But on my own, and undefined,
I've found my rescue in your design.

With every heartbeat, I tried to live,
Pursuing purpose forever gives,
But on my own, and lost in haze,
I've found my vision, right in your gaze.

Refrain:

Wondered in different places,
Transversed through changing phases,
Torn in heart and mind,
I've found my rescue in your design.

Chorus:

I'm standing in your love,
Your mercies covers me,
Lifted by your power,
Blessed forever, wild and free.

Verse 2:

With every fall, try and stand,
Reach out for a helping hand, (helping Hand)
Though lost and broken, and left behind,
You'll find your strength in, in God's divine.

With every heartache, search for peace.
Yearn for love, that will release, (will release),
When overwhelmed and lost in fears,
You'll find your comfort, through joyful years.

Refrain:

Wondered in different places,
Transversed through changing phases,
Torn in heart and mind,
I've found my rescue in your design.

Chorus:

I'm standing in your love,

Your mercies covers me, (am fortified by Grace).
I'm fortified by your grace,
Lifted by your power,
Blessed forever, wild and free. (Am fortified by Grace).

Chant:

Though I walk through the valley of the shadow of death,
I fear no evil for thou art with me,
Thy rod and staff, they protect me,
Thou preparest a table before me,
In the presence of my enemies,
Thou annointest my head with oil,
My cup runneth over.

Bridge:

Your grace, your grace, am nothing without you,
Your grace, your grace, shines on me, (shines on me)
Your grace, your grace, am nothing without you,
Oh your grace, oh your grace, am fortified by grace.

After-Bridge:

Your grace guiding me through the night,
Directing me with your light,
Crafting my future bright, (am fortified by Grace).

Your grace guiding me through the night,
Directing me with your light,
Crafting my future bright, (am fortified by Grace).

Chorus:

I'm standing in your love,
Your mercies covers me, (am fortified by Grace).
I'm fortified by your grace,
Lifted by your power,
Blessed forever, wild and free. (Am fortified by Grace).

I'm standing in your love,
Your mercies covers me, (am fortified by Grace).
I'm fortified by your grace,
Lifted by your power,
Blessed forever, wild and free. (Am fortified by Grace).
